

JANE' S LIVER COOKIES

1 1/2 cups of wheat germ
3 lbs of liver
1 1/2 cups of corn meal
4 large eggs
garlic

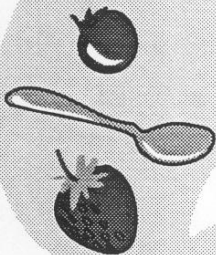

In the same order, put the above ingredients together in a food processor and puree for 5-8 minutes. (DO NOT use a blender, as you will burn out the motor.!!!)

Spread onto a well greased cookie sheet or jelly roll pan.

Bake at 350 degrees for 20 minutes.

Cool, cut into squares, and freeze.
